& FINANCE

banking & finance

“AEQUITAS provides rigorous and professional advice in a short time”.
Chambers 2026

“AEQUITAS is a great firm with great capabilities”.
The Legal 500 2026

AEQUITAS Banking & Finance practice dates back as long as the history of the firm itself. One of the firm's very first projects was advice to Chase Manhattan Bank intending to set up a joint investment bank with a Kazakh party in 1993.

AEQUITAS's standing clients include major banks and finance organizations, as well as different issuers of securities. Starting 2006, the firm has been regularly advising Deutsche Bank on a variety of matters. Promsvyazbank JSC and HSBC came to be the firm's client in 2008.

The firm's partners and associates advise and represent clients in connection with diverse local business financing transactions, security transactions accompanying bank loans

and other financings for acquisition in assets, shares and commodities, and derivative transactions.

AEQUITAS draws on its wealth of experience to legally support projects involving the issue and placement of shares, depositary receipts and bonds on financial markets. **AEQUITAS** finance practice comprises work with troubled loans, including restructuring, rehabilitation and bankruptcy issues.

International rating agencies Chambers & Partners and The Legal 500 specifically acclaim **AEQUITAS**'s Banking & Finance practice, ranking it in the same grades with international law firms.

legal services

Legal support of bank loans (from simple unsecured loans to complex structured credit facilities) and special project finance involving parties from different jurisdictions.

Advice on financial leasing and trade finance matters.

Legal support of repo and reverse repo transactions on securities markets.
