Professional Qualifications

Lawyer, Kazakhstan

Mr. Kultelev has solid work experience specializing in the sphere of civil, corporate, antitrust law, technology, media, and telecommunications. He regularly advises on the laws of the Astana International Financial Centre (AIFC). He has been with AEQUITAS since 2007 and has been heading the firm's registration sector since 2012. Tair possesses many years of experience in advising on the issues pertaining to the legal support of business, setting up, registering, liquidation and suspension of activities of legal entities. He has many times represented clients in relations with governmental authorities and in courts and arbitration.

In 2022, he got the status of the Legal Adviser on the laws of the AIFC.

In 2024, he was also appointed as an Insolvency Practitioner and Official Liquidator accredited in the AIFC. Tair received the letters of appreciation from such clients as Siemens, Mitsubishi, Polish Investment Agency, Havaş, and many other companies.

Tair regularly participates in pro bono projects, providing free-of-charge legal advice on registration of animal protection funds, and he is a member of the KazBar Animal Law Committee.

Mr. Kultelev actively participates in conferences and round tables within his areas of specialization, conducts webinars for clients on the issues of corporate law of the Republic of Kazakhstan and the AIFC laws.

Representative Projects

PROJECTS RELATING TO THE LAWS OF THE ASTANA INTERNATIONAL FINANCIAL CENTRE

- All-round advice on the issues of relocation and registration in the AIFC territory of Playrix Kazakhstan Ltd. (private company, among top 3 mobile game companies of the world), and execution of labor relations subject to specific laws of the AIFC in this sphere.
- Advising the largest fund of direct investments on the issues of acquisition of several holding companies, which have assets in the sphere of renewable energy sources in their structure. When working on the project, the firm's lawyers conducted due diligence of the target companies, drafted the required documents, including the framework investment agreement, shareholders agreement, subscription agreement, articles of association, and other documents subject to the English law instruments (such as put option, call option, tag along, drag along), etc.
- Advising a major Hong Kong company on a transaction involving acquisition of shares in a holding company, which has certain industrial enterprises in Kazakhstan making products for the atomic and heavy industry. When working on the project, the firm's lawyers conducted due diligence of the target companies, drafted the required documents, including a sale and purchase agreement, articles of association and a shareholders agreement providing for non-conventional methods of resolving deadlock situations and the management bodies structure subject to specifics of both the international investor and local partner.
- Comprehensive support to the largest Chinese company in a transaction involving acquisition of shares in a holding company owning wind power plants in the South Kazakhstan.
- Registration of a subsidiary of a Chinese company, the purpose of establishing which was acquisition of uranium deposits in the Republic of Kazakhstan, including advice on other related issues.
- Advising Neo Crystal Holdings LTD on the issues of acquisition of shares in Solva Group Ltd., a company set up in the AIFC, which, in turn, participates in 4 legal entities, including MFO OnlineKazFinance JSC, active in the sphere of micro-finance services. The work covered due diligence of the group of target companies and bringing of the charter of the company in the AIFC in line with conditions of the executed shareholders agreement subject to the best practice of the systems of common law and the AIFC. MFO OnlineKazFinance JSC is listed on KASE and AIX, and it is the largest microfinance organization in Kazakhstan.
- Advising several world-famous companies regarding redomiciliation to the AIFC, including the largest mining company Polymetal International plc (new name – Solidcore Resources plc).
- Registration of Bitfury KZ Limited, one of the first international companies registered in the AIFC, which is a multi-industry blockchain company, industrial miner and developer of software and hardware for the work with Bitcoin blockchain. Support of activities of this company, including changes in the composition of shareholders, directors and address.
- Advising Chevron on the issues of setting up a direct investment fund. The project resulted in setting up of one of the first so-called captive or corporate funds in the AIFC.

- Comprehensive legal support to a number of companies on the issues of registration, selection of the optimum organizational legal form, and taxation. Drafting of all required corporate documents and advice regarding the structure of management bodies, including development and adaptation of the required corporate and labor documents.
- Drafting of legal opinions on the impact of sanctions and inspections for different clients for the purpose of registration of companies in the AIFC, opening of bank accounts and obtainment of the required permitting documents (licenses). Among the clients are such world-famous companies as DataArt, Turkish Aerospace, Forex Club, Reliance Petrochem, and others.
- Comprehensive support of a number of international broker companies on the issues of provision of services of a procedural agent for the purpose of acquiring the status of a Recognized Non-AIFC Member. Among the clients are such major players as Cifra Broker, BCS, Atonline, AMBROK, and others.
- Drafting and adaptation of internal global operating procedures and policies of companies in accordance with requirements of the AIFC laws.
- Comprehensive support of termination of activities and liquidation of a representative office of a foreign bank registered in the AIFC, including performance of obligations of an official liquidator under the AIFC laws.

REGISTRATION, RE-REGISTRATION AND LIQUIDATION OF LEGAL ENTITIES IN THE REPUBLIC OF KAZAKHSTAN
