

AQUITAS

INDUSTRY & TRADE

industry & trade

AEQUITAS has amassed substantial expertise of comprehensive legal support to clients active in the production, distribution and sale of consumer and industrial goods. The firm's lawyers are daily advising clients on matters pertaining to local regulation of activities of production and trade companies and are well-versed in all legal aspects of manufacturing and turnover of most diverse products: from chocolate bars to trucks.

AEQUITAS advice largely addresses products and services advertising issues, consumer protection compliance, and product marking/labeling and certification requirements. **AEQUITAS** lawyers help clients draft and enter into different contracts, including those relating to MLM, and choose the optimum customs regime and taxation scheme.

AEQUITAS clients are such world-famous manufacturers as Mars, Coca Cola, General Electric and others. The firm has been directly involved in the establishment and legal support of activities for a number of companies subsequently becoming major manufacturers and suppliers of industrial and consumer goods in Kazakhstan. **AEQUITAS** provided legal support in projects to promote famous global brands to the local market. In recent years, MLM companies already present in Kazakhstan or planning their business in the country are coming to join **AEQUITAS** clientele.
